  - c. Sitting on a chair and straddling the shooting line.

## **Shooting Rules:**

1. Each end (time period) to shoot three (3) arrows shall be two (2) minutes.
2. All arrows must be shot before the time expires.
3. A competitor shooting before or after the buzzer signaling a 2-minute end will lose their highest scoring arrow or arrows equaling the number of illegal arrows shot.
4. The competitor may shoot the 2-D Targets in any order. There can only be one arrow in each target.
5. If a competitor shoots less than three (3) arrows in an end, he/she may shoot the remaining arrows if the omission is discovered before the end is officially completed; otherwise, they shall be scored as misses with a zero (0) score.
6. If an archer shoots more than three (3) arrows during an end, only the three lowest arrows will be scored. Five (5) penalty points will be assessed for each additional arrow shot. All misses or zeros (0) will be counted as the lowest arrows.

## Scoring Rules:

1. A referee will make all decisions on scoring questionable arrows; their decisions are final.
2. Double scoring will be used with a minimum of three (3) shooters per group. Each group will appoint two (2) score keepers and a target captain, who will call arrows. Archers who disagree with the target captain's call may ask for a referee to call the disputed arrow.
3. Arrows and the target face may not be touched until all arrows on the bale are Scored, Agreed Upon & Recorded. Scorecards must be signed as correct by the shooter and both scorers.
4. Any archer deliberately touching any questionable arrow or any part of the target assembly (including other arrows, faces, pins, mat or stand) will result in the questionable arrow being scored as the lower value.
5. Any arrow that passes beyond the shooting line a distance greater than 10 feet as measured to the closest part of the arrow, will be considered a shot arrow, and scored as a Zero (0).
6. If an arrow is embedded in the target beyond the nock, and a referee cannot determine the value of that arrow, it will be considered a pass through, and will be re-shot. NO ARROWS WILL BE PUSHED BACK.
7. ***Each competitor/team must check and sign his own scorecard for accuracy. If a score card is found with an incorrect score it will be DISQUALIFIED.***
