Round:

1. All archers will shoot a qualifying round and followed by Head-to-head Shoot Offs that will be determined by the seeding in each flight.
2. The Vegas 3-spot or single spot target face will be shot. The 3-spot target will be scored as 11-10-9-8-7, with the "X" scoring as the highest point value. The single spot target will be scored as 11-10-9-8-7-6-5-4-3-2-1, with the "X" scoring as the highest point value.
3. The qualifying round will consist of two (2) practice ends and ten (10) scoring ends of three (3) arrows per end. The arrow must touch the scoring ring for the higher value. A running two (2) minute countdown clock, with a 10 second countdown to start shooting, per end will be used to shoot three (3) arrows.

The archers will be flighted based on their score relative to the scores of the other competitors. There will be a minimum of twelve (12) and a maximum of twenty (20) archers in any one flight, starting from the highest flight to the lowest flight. All flighting ties will be broken by the highest last scoring end, if a tie still exists the next to last scoring end will be used with the process repeated until the tie is broken.

4. The top five archers in all flights will compete in the Head-to-Head Shoot Offs. They will be seeded 1st thru 5th and placed in brackets with head-to-head matchups as follows:

- Round 1: #5 Seed vs #4 Seed
- Round 2: Winner of Round 1 vs #3 Seed
- Round 3: Winner of Round 2 vs #2 Seed
- Round 4: Winner of Round 3 vs #1 Seed

The Head-to-Head Shoot Offs will consist of three (3) ends of three (3) arrows per end with the base score starting at zero (0). The arrow must touch the scoring ring for the higher value.

- a. If a tie occurs after the third scoring end the archers will shoot one (1) arrow scored closest to the center determines the winner.

A running two (2) minute countdown clock, with a 10 second countdown to start shooting, per end will be used to shoot three (3) arrows.

5. Archer's may request to have a new target face at any time during the qualifying round. The archer must stay with the type of target face throughout the tournament.

Distance:

All Adult and Youth archers will shoot at 20 yards. All Cub archers will shoot at 10 yards.

Shooting Rules:

1. Maximum arrow shaft diameter allowed will be 0.422 inches, with a point diameter not to exceed 0.425 inches. The shaft diameter will include any wrap placed on the arrow and will include the size of the nock and the nock insert.
2. In the Qualifying Round an archer shooting before or after the buzzer signaling a 2-minute end will lose their highest scoring arrow or arrows equaling the number of illegally shot arrows shot.

3. When using the Vegas 3-spot target face, an archer may shoot the spots in any order. There can be more than one arrow in each of the spots, with no penalty.
4. If an archer shoots less than three (3) arrows in one end, he/she may shoot the remaining arrows if the omission is discovered before the end is officially completed; otherwise, they shall be scored as misses with a zero (0) score.
5. If an archer shoots more than three (3) arrows during an end, only the three (3) lowest arrows will be scored. A penalty of one (1) point will be assessed for each additional arrow shot. Misses or zeros will be counted as the lowest arrows.
6. If an archer shoots more than three (3) arrows in any warmup (practice) end, for the Qualifying Round prior to the start of the competition, they will be **IMMEDIATELY DISQUALIFIED**.
7. An archer who purposely disfigures a target face to improve aiming, or for any other reason, is subject to disqualification. Arrow holes may be repaired, provided there is no delay to the round.
8. Any archer conducting himself in an unsportsmanlike manner will be **IMMEDIATELY DISQUALIFIED**.

Scoring Rules:

1. A referee will make all decisions on scoring questionable arrows; their decisions are final.
2. Double scoring will be used for the Qualifying Round with a minimum of three (3) shooters per bale. Each group will appoint two (2) score keepers, one for the official score (score card), as well as a target captain who will call arrows. Archers who disagree with the target captain's call may ask for a referee to call the disputed arrow. Arrows and the target face may not be touched until all arrows on the bale are Scored, Agreed Upon & Recorded. Scorecards must be signed as correct by the shooter and both scorers. **ARCHERS SUBMITTING INCORRECT SCORE CARDS WILL BE DISQUALIFIED!**
3. The Head-to-Head Shoot Off Rounds will be called by three (3) Line Judges independent of each other and the archers' score will be determined by the majority rule as determined by all three (3) line judges with their call being final.
4. All arrows must remain in the target, untouched, until scoring is completed & recorded.

5. Any archer deliberately touching any questionable arrow or any part of the target assembly (including other arrows, faces, pins, mat or stand) will result in the questionable arrow being scored as the lower scoring value.
6. Any arrow that passes beyond the shooting line a distance greater than 10 feet as measured to the closest part of the arrow, will be considered a shot arrow, and scored a zero (0).
7. If an arrow is embedded in the target beyond the nock and a referee cannot determine the value of that arrow, it will be considered a pass through and will be re-shot. **NO ARROWS WILL BE PUSHED BACK.**

Equipment Rules:

1. All styles of equipment are allowed, except for the following:
 - a. All competing archers must shoot the same style equipment as they did in their qualifying rounds. If changes in their shooting equipment/style are made, the archer will be flighted at least one (1) flight higher than their qualifying score. The Tournament Committee reserves the right, at any time, to assign the competitor to the appropriate flight based on knowledge of the competitor's prior scores or archery experience in any other archery tournament or organization.

Equipment Failure:

1. In the event of equipment failure, step back from the shooting line and raise your bow above your head. A referee will come to your assistance. The archer will have 15 minutes repair time without holding up the shoot.
2. Two (2) two (2) minute practice ends will be allowed to re-sight in the bow. The archer may shoot as many arrows as necessary within the two (2) minute time frame.
3. The archer shall be allowed to shoot any arrows missed during the 15 minutes. All make-up arrows will be shot at the end of the round.
