3. A competitor shooting before or after the buzzer signaling a two (2) minute end will lose their highest scoring arrow or arrows equaling the number of illegal arrows shot.

2. Double scoring will be used with a minimum of two (2) teams per group. Each group will appoint two (2) score keepers and a target captain, who will call arrows. Archers who disagree with the target captain's call may ask for a referee to call the disputed arrow.
3. Arrows and the target face may not be touched until all arrows on the bale are Scored, Agreed Upon & Recorded. Scorecards must be signed as correct by the shooter and both scorers.
4. Any archer deliberately touching any questionable arrow or any part of the target assembly (including other arrows, faces, pins, mat or stand) will result in the questionable arrow being scored as the lower value.
5. Any arrow that passes beyond the shooting line a distance greater than 10 feet as measured to the closest part of the arrow, will be considered a shot arrow, and scored as a Zero (0).
6. If an arrow is embedded in the target beyond the nock, and a referee cannot determine the value of that arrow, it will be considered a pass through, and will be re-shot. NO ARROWS WILL BE PUSHED BACK.
7. ***Each team must check and sign their own scorecard for accuracy. If a score card is found with an incorrect score it will be DISQUALIFIED.***
